

CAP GENERAL BULLETIN

- 1 A CAP General Bulletin will be issued with each CAP amendment package, to enable DMs to keep their guidance up to date. Each General Bulletin provides an update on which CAP Bulletins are still current or have been cancelled. This is the first CAP General Bulletin, and is issued with amendment 7.
- 2 ACI Leeds no longer arrange for hard copies of CAP amendment packages or Bulletins to be distributed. However, a PDF version of each amendment package will be made available to enable users to select and print a copy of the package locally if required.
